SUBJECT: BLUE LANTERN LEVEL 3: PRE-LICENSE END-USE CHECK
ON LICENSE 050115265

REF: 08 MEXICO 489

¶1. (U) This is an Action Request. See paragraphs 2 - 4.

¶2. (U) The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Post's assistance in conducting a pre-license check on license 050115265 for the export of firearms and magazines to Mexico. Post is requested to complete this Blue Lantern check within 30 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

¶3. (SBU) Reason for Request: Any export of firearms valued at one million dollars or more is required to be notified to Congress. This check is to gather pertinent information for Congressional notification. Also, foreign intermediate consignee, Eduardo Jordan, will receive commissions according to a letter submitted by Bushmaster to PM/DDTC. Previous inquiries (REFTEL) indicate that Mr. Jordan receives roughly \$150 per article for services that include "shipping and freight to the border." Mr. Jordan's role remains unclear.

¶4. (SBU) ACTION: Embassy is requested to confirm the legitimacy of this transactions between the Government of Mexico (GOM) and U.S. company, Bushmaster Firearms International and corroborate the letter of explanation provided by La Policia Federal Preventiva. Post is also requested to determine the exact role foreign intermediate consignee, Eduardo Jordan, plays in this transaction. The following points are included for guidance:

TO REPRESENTATIVE OF THE GOM:

--Can the GOM confirm the order of the firearms listed on this license application?

--Can the representative confirm that the firearms listed below are being purchased to facilitate the expansion of La Policia Federal Preventiva?

TO EDUARDO JORDAN:

--REFTEL states that Mr. Jordan is paid roughly \$150 to \$155 per article for services that "include shipping and freight to the border." Will Mr. Jordan physically transport the defense articles across the United States-Mexico border or does he simply arrange freight forwarding services?

--Does Mr. Jordan ever retain physical possession of the defense articles listed below? If so, at what facilities and what measures are taken to assure the security of these defense articles? What does Mr. Jordan do with the defense articles once received?

--Does Mr. Jordan represent either Bushmaster or any agency of the Government of Mexico in an official capacity? Does Mr. Jordan have a contractual relationship with either?

--Does Mr. Jordan understand the registration and licensing obligations of a broker under part 129 of the International Traffic in Arms Regulation (ITAR)?

In its reply, Post may also comment on any other information pertinent to these transactions such as security of facilities, end-use, and concerns about the entities involved.

15. (U) Details of license applications:
